

Panora Rebate Program for Historic Downtown Business Commercial District Façade Improvements

To be eligible the façade improvements must meet the following conditions.

1. The dollar amount of the rebate shall not be less than one thousand dollars (\$1,000).
2. The dollar amount of the rebate shall be limited to ten thousand dollars (\$10,000).
3. The façade improvements shall be in compliance with design standards established by Chapter 165.31 of the Panora Code of Ordinances (Historic Downtown Business Commercial District).
4. Prior to construction, the design of the façade improvements must be approved by the Downtown Enhancement Committee established in Chapter 165.31 of the Panora Code of Ordinances.
5. Upon completion, the property owner must submit an itemized list of expenses related to the façade improvements. Expenses may include labor and materials.
6. Upon approval of the façade improvements and the itemized expenses, the improvements shall be certified by the Panora City Administrator and the Downtown Enhancement Committee.
7. The rebate to the respective property owner shall be paid upon adoption of a resolution by the Panora City Council.

If you have questions, please contact the Panora City Administrator at the Panora City Hall.
